New Enrolments

If you know of parents/whānau that are planning to enrol their children, please ring and let the office know so we can organise visits and plan ahead.

New entrants that enrol with us receive a complementary school polar fleece, stationery for the year, a pair of shoes and a jacket.

New Entrant Room

Basketball donation

We were very lucky to receive a wonderful donation of three new basket balls and hoops this week which will be well used.

Thank you, Andrew Hardie, for donating these to the school.

Breakfast Club

Just a quick update that we are meeting Fonterra soon about their sponsorship of our breakfast club.

Once we have met we will be able to provide more details. At that time we will also contact people that have volunteered to help.

Rippa Tournament

The Rippa tournament is being held on Tuesday 8th April in Pahiatua.

There is one year 5/6 team and one year 7/8 team going.

Students that have been selected to attend have been sent home information and permission slips, please return these asap.

Students will leave at 8.30am and expected back by 3pm. We wish them good luck.

The Hive

'The Hive' is our onsite technology space where students are learning about making healthy choices, and developing skills in gardening, cooking and science etc. It is a very popular learning space.
